He triumphed over the enemy and paid the penalty for my sin and the sin of all people with his death on the cross. Please show me. In Jesus' name, Amen.

20. Lord, today I will affirm and engage in the struggles I face in standing strong against the enemy. Please give me strength and guide me. In Jesus' name, Amen.

21. **Father God, your kingdom ways appear to be upside down to me, but I am beginning to see that it is my vision that is distorted. The mystery of the incarnation is utterly unique in the history of the world—the God becoming flesh in order to become one of us. The radical and profound lengths to which you went in order to save us all from the power of Satan amazes me. As I read the story of the first Advent, I am struck by all that you put into place. Only you could have conceived of it. Having made the world, you sent your Son into the world, knowing that he would be betrayed, rejected and crucified by the people he came to save. And yet you did it—to save me. I praise your name and thank you for your awesome gift of salvation. In Jesus' name I pray, Amen.**

23. God of grace and truth, you have revealed your will and your ways in your Word. In its pages I discover truths I would never learn anywhere else. Thank you for this eternal life that is now mine because of your divine intervention in my life. Help me to overcome my spiritual and moral laziness that keeps me from hearing your voice and walking in your ways. May I hold your words in my heart so that I will not succumb to temptation and sin, but be increasingly honoring to you. Give me the strength to set my mind and heart on things above, where Christ is. Help me to find my life in you and be defined by your truth rather than by the lies of this world. Strengthen me in my unconditional commitment to you. I love you and know that you first loved me. In Christ's name I pray, Amen.

24. Holy Father, how comforting it is to come to you, knowing your love is a gift I did not earn and can never lose. Thank you. I am in awe as I realize how great a gift this truly is. Though I live in a culture that erects

barriers between people, barriers that divide us and make us feel either arrogant or inferior, I am so grateful to you for sending your Son, the Lord Jesus, who broke through these walls with his love, acceptance, forgiveness and service to the lost, to the least and to the lonely. Teach me to treasure all the people I encounter today, to love them and to seek only good for them. In your Son's name I pray. Amen.

majesty and glory are beyond my human comprehension. Grant to me the joy of each day growing in my knowledge of you. In your holy name I pray. Amen.

27. Faithful Father, thank you for the hope of the second coming of Jesus Christ in glory and power. Help me to live in anticipation of his coming. Help me to trust you in the things I do not understand. And when life seems to be a mess, help me to remember that your work here on earth remains, for the time being, an unfinished project, and that you always complete what you begin. Help me to cultivate an eternal perspective as I journey through this temporal arena. May I learn to pursue the eternal reality of the unseen future over the current reality of the visible present. And may you always be the object of my deepest love so that I will pursue you above all else. In Christ's name I pray. Amen.

28. Sovereign Lord, I am mystified by the incarnation of your Son. God taking on flesh. The Creator of all

becoming one of us. This is astonishing, too marvelous for words. You willingly offered the life of your Son in exchange for ours. You transferred our sin to him and his righteousness to us. Knowing he would be betrayed, rejected and murdered by the people he came to save, he still came. He willingly became the sacrifice by dying on the cross. He overcame death. May I always be thankful for your glorious gift and recall the awful price you paid to make it possible. In Christ's name I pray. Amen.

29. **Dear Lord, today I enter the day on my knees with this thought welling up in my heart: 'God is God and God is right. He is in control. He will always be in control. Oh, Lord, may Your will be done in this poor, unworthy life each and every moment! In Jesus' Holy name, Amen.**

For example I realize I'm not too badly worried because a man who dies of any illness if he is in the will of God, is not injured; he's just dead. You can't harm a man in the will of God. I ask to always remain in your will my Lord, not mine. In Jesus' name, Amen.

34. Father, Different challenges are bound to come our way as we go through this school of life. I am inclined to pray “save me from this, but many times You want us to go through different things for both Your glory and our own good and the good of others. 39. Dear Lord, today and throughout this year I will be a lighthouse for Jesus, projecting His inner light and reflecting His light externally. May Your love and Your

Mine is usually not. I believe this to be true. Please help me to remember to go to Your Holy Bible and to You in prayer. I know that these are the right steps to take. Help me to remember to practice implementing this concept. Thank You in Jesus' name, Amen.

42. **Dear Lord,** I believe. I believe Jesus was both God and man, and that he lived a perfectly sinless life, offering himself for me on the cross. I believe in the resurrection. I choose today to step into the light because I know I need you. Thank You in Jesus' name, Amen.

43. **Dear God, Today I will live in the awareness and peace that Jesus is in the storm with me when I go through trying times. 45. Dear Lord, today I will be thankful that the storms in my life will and do come to an end. I understand that storms come and go and are a part of life that they help us to develop. I will deliberately seek to discover something new about Jesus and what He wants me to be for Him. I pray that I and believers everywhere will have spiritual eyes and ears to see, hear and learn new lessons from Jesus in the storms of life. In Jesus' name, Amen.

46. Heavenly Father, today I will prepare myself practically, mentally and spiritually so that I can sleep when the storms blow in my life. Thank You, Lord, for the peace only You can give when the strong winds try and wreak havoc in my life and daily situations. In Jesus' name, Amen.

walk by faith and not by sight, no matter what happens. In Jesus' name, Amen.

You have never lied or let me down. You have loved me with an everlasting love. I could never begin to repay you. I can only love, praise and worship you. You brought me through situations and circumstance that most people would not believe if I told them. I love you and thank you my Lord. In Jesus' name, Amen.

May I ever realize that You are in control and truly allow You to be Lord of my life. In Jesus' name, Amen.

50. Heavenly Father, I'd like to devote the remaining years of my life and ministry to the 'holy task of

cultivating God.' Help me to know You first, and then out of the overflow of that growing knowledge can come whatever ministry You choose to bless me with. I know that my relationship with you and my Spiritual progress is directly related to the amount of time and effort that I spend cultivating our relationship (i.e. Bible study, prayer, meditation on You). In this way I will gain insight and a closeness to You and Your will and direction for my life. Thank You Father. In Jesus' name, Amen.

51. Oh Lord Almighty, today I will trust completely in You for guidance and direction in everything I say, think and do to the best of my ability. And I will rely on Your wisdom when pressures arise. Thank You. In Jesus' name, Amen.

52. Dear Jesus, help me to keep fixing my eyes on You. When I'm weary and losing heart, thank You for Your example. In Your name I pray, Amen

53. **Dear Lord, I have been thinking recently about how important my thoughts are. I don't have to do wrong to get under blistering conviction and repent. I can lose a close fellowship with You and sense of Your presence and a sense of spirituality by just thinking wrong. I believe that You have been saying to me, "I dwell in your thoughts. I pray for my thoughts to be a sanctuary in which You can dwell. I believe that you are telling me that I can control my thoughts. Please help me by Your loving kindness and grace to control my thoughts properly. I want to serve and please You. May my thoughts be a sanctuary Father, where You can dwell comfortably. In Jesus' name, Amen.**

54. **"Oh, Lord, You know the constant struggle so many of us have with our thought life. You know how often our thoughts do indeed settle on bad things. Take control of my thoughts today, and move me along in the development of the habit of holy thought. You have shown me that the best way to control my thoughts is**

to offer my mind to You in complete surrender. Also that Your Holy Spirit will accept it and take control of it immediately. Then it will be relatively easy to think on spiritual things, especially if I train my thought by long periods of daily prayer. Long practice in the art of mental prayer (that is, talking to God inwardly as I work or travel) will help me to form the habit of holy thought. In Jesus' name, Amen.

55. **Dear God, today I will remember those believers who are mistreated and punished in foreign countries for being Christians. Many Christians in Muslim, Hindu, Buddhist, and atheistic communities are rejected and suffer many consequences for standing for their Christian faith. Please show me ways to do everything possible to assist them in the way I would want assistance if I was in their shoes. Lord grant me empathy and a giving heart for those being severely persecuted today. In Jesus' name, Amen.**

56. Father, today I will be aware of Satan's attempts to silence my witness for Jesus and resist him! Thank You, Lord, for the way You bring good from the evil tactics of the enemy of our soul. Help me stand strong against his attack on the life and name of Jesus in me. In His holy name I pray.

57. Dear God, today I take time to examine my character regarding my everyday language. I hate to admit it buy at time when I am with others I sometimes use foul language that I know is not pleasing to you. I repent of this sin and ask you to help me to overcome this bad habit as I know it is not pleasing to you and serves as a poor witness to others regarding who I am in Jesus. Thank you for your forgiveness, mercy to me. In Jesus' name, Amen.

58. Heavenly Father, Today I just want to take time to thank you for being so good to me. And to recognize all of the many blessings from you in my life. My home, car, family, job, health, sunshine, rain, and most of all

for allowing me to be Your child for eternity through the shed blood of Jesus Christ. You sent your Son and He was slain and resurrected for ME. What a precious gift. Thank you Lord because You are SO GOOD TO Me. I appreciate it and thank you. I love you with all my heart. In Jesus' name I pray, Amen.

59. Father, my prayer today is that you would "use me". A plain simple prayer. Please send someone across my daily path that I can share Jesus with. When you do, please give me the right words that will touch their heart and cause them to want this precious Savior to be Lord of their own life. If you will please Lord....Use me. In Jesus' name, Amen.

60. Heavenly Father, thank you for another day of life. I welcome this day with a good attitude and ask You to guide me and lead me in all that I encounter today. Please show me where I may be of help or encouragement to someone that has a need. I recognize that we all have needs. Help me to be

sensitive to the needs of others placing them ahead of myself in my thoughts and actions. In Jesus' name, Amen.

61. Lord, help me to live my life today in such a way that, should You call me tonight to stand before You and give account, I would have nothing of which I would need to be ashamed. In Jesus' name, Amen.

62. Father, I find that as a human being I struggle with self-discipline and obedience to Your Holy Word. You know that I want to be obedient so that I have a closer more intimate walk with you, but I do fail sometimes. The heart is indeed willing but the flesh is weak. All I can say is Thank You Lord that you make a way for me to be forgiven. You have shown me in Your Word that the key is repentance and asking humbly for forgiveness. When I ask for that forgiveness I also ask to be given Holy Spirit power to overcome that weakness. THIS is Your way of dealing with those things. I understand that I can be encouraged though.

For Jesus can strengthen us to defeat the enemy. When tempted, we should run to Him in prayer and study His Holy Word so that we can resist the Devil. Thank You for Your mercy and grace. Two of my favorite and comforting words. In Jesus' name, Amen.

63. Dear God, today I would like to refresh my own understanding aloud to You and to myself today regarding how to fight the good fight (especially when I am asking for help with temptations, difficult situations, etc. In the fight, I need to put on the whole armor of God so that I may be able to stand against the wiles of the devil. The armor consists of: The helmet of salvation, the breast plate of righteousness, the shoes on my feet shod with the preparation of the gospel of peace, the shield of faith with which I will be able to quench all the fiery darts of the wicked one, my waist girded about with the belt of truth, the sword of the Spirt (The Holy Bible). Thank you for equipping me with

the whole armor so that I can fight properly. In Jesus' name, Amen.

64. Father God, I understand that I am still under Your command to "be Holy". I am reminded in the Holy Bible that You ask us and expect us to be holy men and women because we are the children of God, who is Holy. Your pure, gentle and loving Spirit is still the positive answer for us who hunger and thirst for the life and spirit that is well-pleasing to You. Oh, Lord, I fall so short! Strengthen me today, walk with me, keep me cognizant of Your presence, and guard me from any thought or action that would be displeasing to You. In Jesus' name, Amen.

65. Dear Lord, today I will rejoice in Your Fatherly love and support. I will not give up as the battle rages. Thank You Lord for Your love and for declaring me a winner! In Jesus' name, Amen.

66. Father, I have been reading about the SIN of gossiping. I ask You to reveal any sins of gossip that I

may commit. I now understand the destruction that gossip can do. It can ruin ministries, people's lives and reputations. What a tragedy ! Today I will thwart Satan's temptations to offend others by committing the sin of gossip. Please help me to NOT gossip. I want to please You. Lord, enable me to stand strong today in the face of all that Satan tries to throw at me. In Jesus' name, Amen.

67. Dear Jesus, thank You for humbling Yourself for me. Help me to follow Your example of valuing others' needs above my own. In Your holy name I pray, Amen.

68. Heavenly Father, I pray that You would move in my heart to prompt me to devote myself to a time of silence and self- examination. So often activity feeds on itself and it takes a conscious effort to step off the treadmill to re-evaluate ourself. Please stimulate my heart, and quiet me today that I might hear from You regarding my Spiritual condition and show me where I

might improve in my service to You. In Jesus' name, Amen.

69. Father, I have learned of the dangers of having pride in my life. I know that You hate pride and that it has ruined many people's lives and separated them from having closeness to you. Today I will keep my eyes fixed on Jesus and steer clear of pride's deceptiveness. I need Your help to keep focused on You and avoid pride's stranglehold. In Jesus' name, Amen.

70. Dear God, You have shown me the correct method of dealing with sin when I fall. The phases are: conviction, acknowledgment, confession, seeking forgiveness, receiving forgiveness, praise and thankfulness. I also understand that satan uses deceit and intimidation. Today I will confess my sin and receive God's forgiveness from guilt so that Satan cannot use this tactic against me. I pray that this simple and straight-forward process of relieving guilt through confession of sin will be the experience of every

believer so satan loses one more tactic today. Thank You Lord. In Jesus' name, Amen.

71. **Dear Father, You have shown that it is more blessed to give than to receive over and over in Your Holy bible. I have proven that this practice is absolutely true. Please help me to always open my hands to give to others and to You with Your love in my heart. In Jesus' name, Amen.**

72. **Dear God, thank You for always giving me reasons for gratitude and hope. It is so easy to focus on the difficult things in my life. We all have different difficult things in our lives. I understand that these things are a part of our growing and maturing process as difficult as this may be. However, I also know that when I am in the midst of these circumstances, the best thing that I can do is begin to count my blessings and be grateful for those things You have blessed me within this life. This produces hope. I am responsible for my moment to moment choices. If I will only choose to have gratitude**

You will take care of the rest. I trust in You. Thank You, in Jesus' name, Amen.

73. **Father God, I am so thankful that I am a Christian, filled with the Holy Spirit, and have lost my fear of death, I believe that this makes me unstoppable until You call me home to heaven! So, Today I will claim my freedom in Christ and live in the power He gives me. Thank You Lord for freedom from fear that comes only from You. I believe that now and going forward, death has lost it's sting thanks to Jesus' sacrifice on the cross and subsequent resurrection. Thank You my precious Lord for Your sacrifice. In Jesus' name, Amen**

74. **Dear Lord, thank You for eternal life through the shed blood of Your precious Son Jesus. I am eternally grateful for that priceless gift. I believe that when I was saved and became Your child, I began living in eternity because at that moment I gained eternal life. This means that I will never die Spiritually. If I am living in eternity then it follows that this fact should help to take**

away the rush and anxiety of life in this world. Please help me to embrace and realize that deep down in my heart. Such peace !! Thank You in Jesus' name, Amen.

75. Gracious God, sometimes I know that I judge others when I should not. I also know that Your Holy Word says "Judge not lest Ye be judged. With the measure that I use to judge others I will be judged". Please forgive me for having a judgmental spirit, and help me to not be judgmental and to show others Your love and grace. In Jesus' name, Amen.

76. Dear Lord, I know that you have given each of your born again, saved children different and special gifts to be used in the ministry of The Gospel Of Jesus Christ to the world. I would like to ask for you blessings on my gifts that You have given to me. I know that without the Holy Spirit guiding and directing my gifts they are of no value. Running things by my own meager efforts is useless. I need the precious Holy Spirit to oversee and guide the implementation of my gifts that you have

blessed me with. Please, come Holy Spirit in power and grace. In Jesus' name, Amen.

77. Father, I have read that the biggest fear that people have is the fear of death. It is a universal fear and rightly so. But, today I will live prepared to die, and die prepared to live! When I fear you, Lord, I fear nothing else—even death. Today I pray for those who do not fear You and thus fear everything else—especially death. Your Holy Word says that "The fear of God is the beginning of wisdom" (Not actually living in fear but rather acknowledging that God is so powerful that we should fear and respect that power and what it COULD do). In Jesus' name, Amen.

78. Dear Lord, First I want to thank You for loving me and to say that You are "SO GOOD TO ME". Father, I think I take Your love for granted and consequently forget how grieved You are when I sin. Overwhelm me today with Your love, so that I might be more careful to not grieve You. In Jesus' name, Amen.

79. Dear God, I have read in Your Holy Bible that pride comes before a fall. Also King Solomon wrote much regarding pride vs humility. This is obviously an important learning for a believer to understand and implement in their life. Please, remind me that humility is the pathway to honor in Your sight. In Jesus' name, Amen

80. Heavenly Father, whenever we face a crisis or difficult situation Satan would like for us to respond with fear and shock. But today I will not walk in fear but in the power of God's Holy Spirit. I have learned that with each crisis comes opportunity. We can either focus on the crisis and become paralyzed or we can focus on the opportunity. The opportunity to trust You my Lord and watch and enjoy your magnificent work in the situation. We have the ability to make choices in everything. I choose to focus on the opportunity of trusting You. Thank you for showing me that. In Jesus' name, Amen.

81. Dear Jesus, as it would please you, bring me someone today whom I can serve. I know that to truly put this into practice I need to give You the latitude You need to use me as You see fit. I do that by presenting everything I have, my time, talents and treasures to You. I think I hold on loosely to all that I call my own, recognizing that all of it comes from Your hand. When I am yielded to You, I know that You can use me as Your instrument to carry the message to others through my words and actions. In Jesus' name I pray. Amen.

82. Dear Father, I would rather be part of a small group with inner knowledge (i.e. inspired by the Holy Spirit) than part of a vast group with only intellectual knowledge. In that great day of Christ's coming, all that will matter is whether or not I have been inwardly illuminated, inwardly regenerated, inwardly purified. Fill me inwardly with Your Spirit and Your presence today. May I seek to be illuminated with more than simple group church attendance and only the written Word. I seek more, I seek Holy Spirit illumination in addition to The Holy Bible's written word. In Jesus' name, Amen.

83. Dear God, today I will live in the strength of Christ and fearlessly refuse to give in to my enemy, Satan's attempts to shut down my verbal and outgoing witnessing to others. I also would like to pray for boldness for all believrs to share the Gospel openly and unashamed. In Jesus' name, Amen.

84. Precious Lord, I understand that You are the author of all that lives. And additionally I want to thank You for inspiring the Bible to be such a life-giving book. May I submit to You as I read the Scriptures. Your Spirit brings Scripture alive to us. As we dwell in it, You change us to be more like You. Thank You. In Jesus' name, Amen.

85. Dear God, Thank you for the Holy Spirit within me. Thank you that I am not alone. Thank you that you promise to help me live this life with victory. This brings to mind areas that I acknowledge I need to further mature in such as goodness, knowledge, self-control, perseverance, godliness, mutual affection, love. I welcome with an open heart the guidance of Your Holy Spirit in these areas. Thank You, in Jesus' name, Amen.

86. King Jesus, You have been so kind and generous to me. Please help me to seek first your kingdom and your righteousness above all other things. I want others to see my generosity and know it must come from you. You have shown me that I need to be generous with all that you have given me including my things, time, and most of all LOVE. Thank You, I love you. In Your Holy name I pray, Amen.

87. Loving God, You've made me—as well as those who hurt me—in Your image. Help me to see them as You do. You have shown me the importance and value of forgiving others. It is a very difficult thing to do but, I want to be obedient to You. When I forgive, it seems like I am the one that benefits the most. Please give me strength and wisdom to do as You command. I need Your help in this area please. Thank You. In Jesus' name, Amen.

88. Dear Lord, I have read in Your Holy Bible that "He who loves Me will be loved by My Father, and I too will love him and show Myself to him, "call to Me and I will answer you and tell you great and unsearchable things you do not know" and "seek the Lord your God, you will find Him if you look for Him with all your heart and with all your soul". Lord, I humbly ask you to apply these promises to my life and heart as I personally love, call and seek You. I look forward to experiencing these wonderful and precious promises in my life. Thank You so much. In Jesus' name, Amen.

89. Father God, I am so glad to be a child of the HOLY ONE who created everything. I want to be used by You to further the Gospel. I want to serve You. Please Show me what you can do with me today, Lord, in spite of my limitations. In Jesus' name, Amen.

90. Dear God, The Holy Bible says that "He has prepared a city for them" in Hebrews 11:16. In my mind I imagine : No pollution, no graffiti, no trash, no peeling paint or rotting garages, no dead grass or broken bottles, no harsh street talk, no in-your-face confrontations, no domestic strife or violence, no dangers in the night, no arson or lying or stealing or killing, no vandalism and no ugliness. The city of God will be perfect because You will be in it. You will walk in it and talk in it and manifest Yourself in every part of it. All that is good and beautiful and holy and peaceful and true and happy will be there, because You will be there. I desire this above everything else on the earth and I desire to honor You, who, according to Hebrews 11:10, are the architect and builder of the city. And when You are honored, You are pleased and not ashamed to be called my precious Holy God.

91. Father, because of all that You has done for me, it's only reasonable that I would respond to You with love and devotion. I declare my love and devotion to You right this moment. I am filled with thankfulness and love for You because You first loved me and I testify how good You have been to me and continue to do so daily and moment by moment. Father, You are so good to me. Thank You, I praise and worship You and You alone, and I pledge my loyalty to you eternally. Please help me to serve you faithfully and well. In Jesus' name, Amen.

92. Dear God, thank You for Your Son, Jesus, and the saving grace of His shed blood. The Holy Bible tells of the value of Jesus' shed blood. It also describes how we may be saved and obtain eternal salvation. To admit

that we are sinners and need salvation to obtain access to a Holy God. To ask for the forgiveness of ALL of our sins. To believe in faith that the shed blood of Jesus is able to cover our sins. To ask Jesus to be our Lord and Savior. To thank God for the sacrifice and begin to live as a born again believer in Jesus. This is the plan of eternal salvation and I thank You for giving Your Son and I thank You Jesus for dying for me so that I will be with You forever. In Jesus' name, Amen.

93. Dear God, today I will trust You for deliverance from every challenge and temptation that I might face. I would like to tell You that I am available to act as Your agent in this world of suffering. Please use me as You will. In Jesus' name, Amen.

94. Heavenly Father, please help me remember to pray continually as I seek to live in harmony with others. Your Holy Bible instructs us to be in a state of prayer continually. I think that means in our interactions with others, our activities throughout the day, etc. To me, that acts as a prayer covering over every part of my life. I desire a prayer covering over every part of my life so that my life is wisely directed and assisted by Your precious Holy Spirit. I desire this and pray that it will be so in my life. Thank You oh God, in Jesus' name, Amen.

95. Dear Lord, sometimes I worry too much about the future and different possible situations that may come up. But, Your Holy Bible says for us not to worry about tomorrow. Since you take good care of the tiny sparrow You will surely take care of me Your child. Please help me to trust You more because Your Word also says that worry is a sin and a waste of time that accomplishes nothing. In Jesus' name, Amen.

96. Father, I just want to take time right now to thank You for all of the blessings that You give to me. I get too busy and take things for granted but I know the

truth. You take excellent care of me and You are SO GOOD TO ME. Thank You Father. In Jesus' name, Amen.

97. Dear God, please help me to remember that You have promised us that when we give ourselves to You we will also receive the gift of Your precious Holy Spirit. Help me to remember that Your Holy Spirit lives in me and will help me and never leave me. Please fill me up with Your Holy Spirit. Thank You in Jesus' name, Amen.

98. Father, please help me to always remember that You gave Your Son Jesus to die for my sins and that I am Yours now and forever. What a gift that could never be repaid. Thank You Father, Son and Holy Spirit for your never ending love. In Jesus' name, Amen.

99. Dear God, when I take the time to look around me and observe what You have created I am amazed at Your magnificence. You created it ALL. What a wonderful God. The Most High God. And to think that You love even me a sinner, saved by grace. I can only be in awe and offer You my praise, worship and thanks. I love You Lord. In Jesus' name, Amen.

100. Dear Father, You have blessed me with so much that I don't know where to begin to thank You. I am so thankful that You have given me "Prayer". I am blessed and honored to be able to pray to the Creator. I do not take this precious gift of prayer for granted. Thank You so much that I can communicate with You through prayer. You are so good to me. Thank You. In Jesus' name, Amen.

101. Precious Christ, I give myself to you. Take me as I die to my old selfish ways and live in you and your love.

102. Dear God, the book of Revelation in The Holy Bible says that Salvation is secured for all who's names are written in the book of life. I thank You that my name was written in The Book Of Life on the day that I asked

You to forgive all my sins and accepted Jesus as my Lord and Savior. I believe that this is true and that He is Lord. Thank You for my salvation that was acquired through the precious shed blood and resurrection of my Lord Jesus. In His name I pray, Amen.

103. Oh Lord, today I will pray for courage to always honor Jesus and forgive those who snuffed out His light. Please grant Your courage, peace and forgiving spirit to all who grieve such injustices today. In Jesus' name I pray, Amen.

104. Father, this morning I'll stop for a while at least to 'just wait on God.' I know You're wanting to work in me, and I for one am willing to wait this morning to hear Your voice and discover what You want to do for me today. I give this day to you. Please speak to my heart and direct my steps. Thank you, in Jesus' name, Amen.

105. Dear Lord, since Jesus gave His life for me, what more can I give Him than my own life. And until the day of my physical death, I will die to myself daily. I want to thank You Jesus, for giving Your life blood for me. I give You my life in service today and every day until You call me to be with You in Your heavenly home. In Your Holy Name I pray, Amen.

106. Heavenly Father, The Holy Bible says that all those who place their trust in Jesus, God's Son for forgiveness of sins are redeemed and rescued from God's wrath. His wrath is toward sin. He hates sin. We have all sinned and fall short of the glory of God. I am thankful that the blood of Jesus made a way for me (a sinful man) to be redeemed from that wrath. I have placed my trust in Jesus as my Savior. Thank You, thank You, thank You in Jesus' Holy Name, Amen.

107. Father God, the Holy Word tells us in several places to have gratitude and thankfulness for the many blessing that You pour out on us. I'm grateful for every good thing You've brought into my life. And most of all,

I'm grateful for You. Thank You dear Lord. In Jesus' name, Amen.

108. Precious Lord, it's certainly harder and harder to shut out the distractions of an increasingly science-based civilization. Help me to cultivate simplicity, to be satisfied with fewer things, and to find the inner peace that You can give in a life of prayer and meditation. Amen.

109. Dear God, there has always been persecution against believers. Many people, atheist and certain governments have tried to silence and put down Gods people. Today I rejoice in the glorious truth of the resurrection of Jesus Christ our Lord. Those haters and unbelievers are simply blind and wrong. So, Father, may the persecuted church around the world resound today with a vocal outburst of assurance that Jesus is alive. In His Holy Name I pray, Amen.

110. Father God, We humans seem to be bound and determined to gain and collect lots and lots of stuff as we compete with others to see who can have the most "stuff". But Philippians 3:8 (Paul) says "I consider everything a loss because of the surpassing worth of knowing Christ Jesus my Lord, for whose sake I have lost all things. I consider them garbage that I may gain Christ". So, The Holy Bible clearly explains how much more valuable knowing Jesus is compared to owning things. I make my declaration that Jesus is my Lord and not things. In His Name I pray, Amen.

111. Dear God, thank you for another day of life. Yesterday I took the time to begin to write down all of the things that I am thankful for. The list was long and filled me with gratitude. Father you are so good to me. Thank you from the bottom of my heart. In Jesus' name, Amen.

112. Dear Lord, sometimes I forget how good it is to be a child of The Living God of the universe. What an

encouraging thought and blessing. To think that You cared enough for me to send Your Son that I might have eternal life and be with You in Your kingdom forever take my breath away. Thank you for Your great mercy and love for me. In Jesus' name, Amen.

113. Father God, I will live this day in the awareness that troubles can never separate me from Christ's love. I have read and I am aware that in many parts of the world Christians suffer indescribable pain, death and torture because of their belief. Some governments see Christians as enemies of the State and respond accordingly. Lord may all Christian prisoners today gain the insights of Your love and be able to stand against the devil and his evil schemes against them. In Jesus' name, Amen.

114. Heavenly Father, You desire that no one would live in darkness. Please release Your love on those who are blinded in any way, that they might see. The Bible says that Jesus healed the blind. Blindness comes in more than one form. Some are blind in the eyes, but some are spiritually blind and do not even know that they are blind. Please help them to see the truth Lord. In Jesus' name, Amen.

115. Dear Lord, thank you for smiling on me. Thank you for putting a peace in my heart, a peace I can't even understand. Help me to reflect your peace to the world around me. In Jesus' name, Amen

116. Dear God, thank you for another day of life. I will live this day aware that hardships can never separate me from Christ's love. Lord, I rejoice in Your goodness and in Your provision for every real need. I will trust in You. In Jesus' name, Amen.

117. Father, Thank You for Your continued work in creation. I see evidence in the heavens, the sky, life in the ocean and on land. All things working in harmony not by luck or coincidence buy by Your divine guidance.

These wondrous things did not “just happen”, but were created and held in place by Your will. You are wonderful and all powerful. Thank You my Lord. I love you, In Jesus’ name, Amen.

118. Dear Lord, in the middle of my trials (and we all have trials to help us grow), help me to exercise my hope muscle. Give me a new perspective on my situation, one beyond me. I want to trust in your work, even when I can’t discern what you’re doing. Help me to move when you say move, to be still when you say be still, and to keep my hope always in you. Amen.

119. Father God, You loosed Jesus from the pangs of death because it was not possible for him to be held down by it. Jesus has his priesthood today “by the power of an indestructible life”. For twenty centuries, the world has given it their best shot — in vain. They can’t bury him. They can’t hold him in. They can’t silence him or limit him. Jesus is alive and utterly free to go and come wherever he pleases. I will trust him and go with him, no matter what. I cannot lose in the end. Thank You in Jesus’ name, Amen.

120. Father, forgive me for so often just coming to You with my grocery list of needs. You've been so faithful; You've given me so much; You've blessed me so richly. It's time I just came, realizing my incredible debt to You, and simply worshipped at Your feet. In Jesus’ name, Amen.

121. Father, my heart aches for our broken world. Help me realize Your Spirit’s presence is far more powerful than any attack the world can throw at me. Please help me to courageously share the Gospel. Your Holy Bible says “Greater is He who is in me than he who is in the world”. I believe that and stand on it. In Jesus’ name, Amen.

122. Precious Lord, I will live this day aware that neither trouble or hardship or persecution or famine or

nakedness or danger or sword can ever separate me from Christ's love. Oh God, give me eyes of love to help those who need You and also need a practical example of Your love for them. Please guide me as I attempt to serve as an example to those who need you and may I lead them to the saving love and grace provided by my Savior Jesus Christ. In His Holy name I pray, Amen.

123. LORD, please fill me with a spirit of worship—all week long, every day, all year long. In Jesus' Name, Amen.

124. Dear LORD GOD, we need Your wise discernment in every area and moment of our lives. Please guide and direct our paths. In Jesus' name, Amen.

125. Precious Father, when my life feels barren or buffeted by stiff winds, please plant me deeper in Your steadying love. In Jesus' name, Amen.

126. Heavenly Father, I will be still and know that You are GOD. I choose to stand firm and see the deliverance that the You will bring. In Jesus' name, Amen.

127. Dear Lord, I need a good father, a genuine father, that will not leave me or forsake me. I'm grateful You're this Father for me. In Jesus' name, Amen.

128. LORD, help me to listen to Your Holy Spirit's direction for my life and know that He will direct my steps. In Jesus' name, Amen.

129. Oh Holy GOD, please preserve my life; in your righteousness, please bring me out of trouble whenever I find myself in a mess. I acknowledge that You are the provider of every one of my needs. I also acknowledgeable that You are a FAITHFUL provider.

130. Heavenly Father, please remind us that though we have so many blessings, our only real wealth is in You. So therefore I acknowledge my helplessness and inadequacy and place my complete trust in You. Please help me to express true humility in practical ways today

and show that my trust is in You alone. In Jesus' name, Amen.

131. **Dear GOD Almighty, I acknowledgeable that You are with us. You are our fortress. You are The GOD of Abraham, Isaac and Jacob and You are our God. We declare and believe this. You have said, "be still and know that I am GOD". In this world there's plenty to be afraid of, but our GOD offers us His presence, for He Himself is our safety. So, LORD, today I claim three words to take with me through the day: <u>now, here and us</u>. Thank You that I can claim these, and it can change my life. In Jesus' name, Amen.**

132. **Father, today I am so grateful for Your presence in my life that I yearn for more of You. And LORD I long for total righteousness so that the world will see more of Your faithfulness in me. In Jesus' name, Amen.**

133. **Please stimulate me today, LORD, with that sense of sovereign obligation. Then lead me to someone with whom I can share Your grace. In Jesus' name, Amen.**

134. **Oh, Father, I pray that prayer might never become for me 'a duty to be fulfilled. In a real love relationship communication is a delight, never a duty. Fill me with that freedom in my times with You. In Jesus' name, Amen.**

135. **Dear God, I come to you in prayer today offering thanks for Your goodness toward me. Please help me embrace all that You have given me and live a life worthy of Your calling. I confess that I am weak but You are strong. You have given me so much that the list would take forever to recite. I will simply say thank You Oh Lord for Your blessings on me. I offer You my praise, worship, gratitude, love and loyalty. In Jesus' name, Amen.**

136. **Father God, today I put on the belt of truth so I can stand strong against Satan's lies. Lord, help me fill my**

heart with truth today for it will set me free. In Jesus' name, Amen.

137. Heavenly Father, thank You that You call me Your child and provide tender care when I run to You. I am only human and I have wandered away from you many times. But I am so thankful that you are always there with open arms when I will humble myself and ask for Your forgiveness and love. After all, "GOD is LOVE". I am so thankful for Your love and kindness. It makes me want to serve You even more. In Jesus' name, Amen.

138. Dear Lord, The Holy Bible speaks of putting on the breastplate of righteousness. Today I put on the breastplate of righteousness...protected under the blood of Jesus Christ. May my breastplate of righteousness guard my heart from evil so I will remain pure and holy in the face of trials. In Jesus' name, Amen.

139. Father, the Holy Bible instructs us as believers to have our feet shod (fitted) with the gospel of "peace". We are obviously supposed to be peacemakers in this world. Today I put on the sandals of peace and stand firm in the good news of the Gospel. May Your peace shine through me today and be a light to all I encounter. In Jesus' name, Amen.

140. Dear God, Hebrews 4:16 says "Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need. I am very thankful that we can freely come to You with our needs and problems. So, based upon this precious scripture I will come to You with confidence and gratitude. Thank You my Lord. In Jesus' name, Amen.

141. Dear God, peace is so hard to find in this world. Please show me the way of peace. In Jesus' name, Amen.

142. Father, The Holy Bible speaks of the “helmet of salvation”. You have said that I am Your own child. You have redeemed me from slavery. You do not want the enemy to overcome me. I am secure in my relationship with . The power within me is greater than the power of my enemy. I give no place to doubt. I take my stand for You in confidence wearing the helmet of salvation. Today I put on this helmet of salvation so Satan will not have a stronghold on my thoughts. I rejoice in my salvation and ask You to help me keep my mind focused on You. In Jesus’ name, Amen.

143. Dear Lord, Your Holy Bible speaks of “the sword of the Spirit”. I understand this to mean The Bible. We are to use the sword of the Spirit to fight against Satan’s attacks. Today I take the sword of the Spirit so I can expose the tempting words of Satan and may the two-edged sword of Your Word be ready in my hands today and in the hands of those reading it for the first time. In Jesus’ name, Amen.

144. Lord, in the power of Your Holy Spirit, help me to be obedient today. May everything I think and do be pleasing in Your sight. In Jesus’ name, Amen.

145. Dear God, Today I commit myself to being a person of prayer as I put on the whole armor of God. I Pray today with all kinds of prayers for all of God’s people. A great challenge and a great opportunity! Please help them in all areas of service to You. In Jesus’ name, Amen.

146. Dear Lord, According to the Bible, we have because we ask, or we have not because we ask not. It does not take much wisdom to discover our next move. It is to pray, and pray again and again till the answer comes? I invite You to display Your power in behalf of Your people. The world situation is such that nothing less than You my Lord can straighten it out. Let us not fail the world and disappoint You by failing to pray. Lord, I know that my faith needs to grow, so today I'll exercise

what faith I have and anticipate that it will grow and stretch as I use it. In Jesus' name, Amen.

147. **Precious Lord, I know that it was not with perishable things such as silver or gold that I was redeemed from the empty way of life handed down to me from my ancestors, but with the precious blood of Christ, a lamb without blemish or defect. Thank You *Lord. In Jesus' name, Amen.***

148. Almighty God, please help me to see You as my source of help in all circumstances. Thank You, in Jesus' name, Amen.

149. Heavenly Father, Your warrior prepares for battle. Today I claim victory over Satan <u>by putting on the whole armor of God!</u> I put on the Belt of Truth. May I stand firm in the truth of your Word so I will not be a victim of Satan's lies. I put on the Breastplate of Righteousness. May it guard my heart from evil so I will remain pure and holy, protected under the blood of Jesus Christ. I put on the Sandals of Peace. May I go out and proclaim the good news of the Gospel so your peace will shine through me and be a light to all I encounter. I take the Shield of Faith. May I be ready to deflect Satan's fiery darts of doubt, denial and deceit so I will not be vulnerable to spiritual defeat. I put on the Helmet of Salvation. May I keep my mind focused on you so Satan will not have a stronghold on my thoughts. I take the Sword of the Spirit. May the two-edged sword of your Holy Bible be ready in my hands so I can use it to take authority over the Enemy. By faith, your warrior has put on the whole armor of God. I am prepared to live this day in spiritual victory. In Jesus' name I pray, Amen.

150. Dear God, please show me how to join with others who are serving You. I know that I am only one drop but together with other believers that are serving You we become an ocean. In Jesus' name, Amen.

151. Almighty God, I know that you are at work in my life even when I do not recognize it or understand it. It is much easier and more profitable when I cooperate with You. I know that this is the way to victory! Lord, point me in the direction of Your will. May I not need problems and persecution for You to get my attention. Dear Thank You, in Jesus' name, Amen.

152. Lord, this morning I am thinking about patience. I'm tempted to write down, 'Give me that patience, and give it to me now!' That's so typical of our hurried mind-set. Change that mind-set for me today, Lord, and give me a patient, steadfast faith, with a willingness to wait for Your perfect will to be done. In Jesus' name, Amen.

153. Dear God, thank You for working in my life even when I do not recognize it or understand it. I have learned that It is much easier and more profitable when I cooperate with You. This is the way to victory! God may I be found faithful to You through every test. In Jesus' name, Amen.

154. Dear God, what a sad statement it is when I might say that I do not have the time to pray as I used to. Deliver me from that neglect and keep me faithful in the high priority of prayer. Then please guard me from that 'serious failure.' In Jesus' name, Amen.

155. Holy Father, I want to offer You my thanks and love this day. For the many kind and loving things that You have done for me. Thank You for the sacrifice of Jesus that I might be save and spend eternity with You. Thank You for Your mercy and grace toward me. You are so good to me. I offer my life to You to use as You will to bring others to a saving knowledge of Jesus Christ. In His Holy name I pray, Amen.

156. Dear God, it is so comforting to know that You are always there via Your Holy Spirit in my life. I ask You to please guide me and direct my steps today in everything that I say, think and do. I need You in every

area of my life. You are my life's blood. In Jesus' name, Amen.

157. Dear God, please help me to watch and pray for myself and others. When I pray, please help me to be alert and sensitive to the leading of Your Holy Spirit and help me to not be in a hurry but to wait upon you and rest. In Jesus' name, Amen.

158. Dear God, I know that You are at work in my life even when I do not recognize it or understand it. It is much easier and more profitable when I cooperate with You. This brings victory! Please help me to trust You to bring good from the challenges, difficulties and persecutions I might be subjected to today. In Jesus' name, Amen.

159. Lord, show me Your power today. Increase my faith. Don't ever let the enemy claim any territory because of my doubt and unbelief. In Jesus' name, Amen.

160. Father God, the day has dawned in Jesus Christ. Jesus is the end of this fallen age. He defeated sin and pain and death and Satan. The decisive battle is over. The kingdom has come. Eternal life has come. And when dawn happens as it did in the coming of Jesus I should doubt the coming of day. Not even if the dawn draws out 2,000 years. It is certain. The day has arrived. Nothing can stop the rising sun.

161. Loving Savior, thank You for loving me first so I can love others. In Your Holy name I pray, Amen.

162. Dear Father, I offer my sincere thanks, praise and worship to You who gives us the victory! Our place in eternity is solid, safe and secure thanks to Your amazing and indescribable sacrifice. In Jesus' name, Amen.

163. Father, Let me die rather than to go on day by day living wrong. I do not want to become a careless, fleshly old man. I want to be right so that I can die right.

Lord, I do not want my life to be extended if it would mean that I should cease to live right and fail in my mission to glorify You all of my days! I would not want an extra number of years in which to backslide and dishonor my Lord. I would rather go home right now than to live on if living on was to be a waste of Your time and my own. Please help me to finish well. In Jesus' name, Amen.

164. Dear God, thank You for being a good, kind and just Creator whom I can trust. I trust you with my heart and life. In Jesus' name, Amen.

165. Dear Father, today I will live in the awareness that the spiritual battle rages all around me and I can be used to counter Satan's bondage over people. Lord, you have given me the spiritual weapons with which to demolish the strongholds of the spiritual battle that I find myself against today. Help me not to depend on the weapons of the world. In Jesus' name, Amen.

166. Dear God, in my humanity and frailty, I'm sometimes fearful. Help me to see and experience Your love and care even in the midst of my trials and discomfort. I believe You hear and answer my prayers. In Jesus' name, Amen.

167. Precious Lord, thank You for another day of life. Thank You that You have given me eternal life through the great sacrifice that You made. You are so good to me and I am grateful. Being a child of God almighty gives me such peace and joy. All I can say is "thank You". In Jesus' name, Amen.

168. Father, tears of joy may express how happy I am after discovering how much someone loves me or some other meaningful circumstance in my life. Imagine that great day to come in the afterlife and eternity as we celebrate living in Your realm forever. As tears stream down our faces, we'll know without doubt that the

meaning of life has always been to live intimately with You. Thank You precious Lord. In Jesus' name, Amen.

169. Dear God, When Jesus said, "If you love me, obey my commandments" He shows me that obedience to the Scriptures would be the result of an ongoing loving and intimate relationship with Him. Your love is selfless, unconditional, and never forceful or abusive. As I follow and honor You in all of my relationships, Your Holy Spirit will help me see obedience to You as a wise and loving act of trust and worship. Please help me to obey Your precious commandments. In Jesus' name, Amen.

170. Father, thank You for the many blessings that You have showered down on me. And thank You for the financial blessings and for supplying all of my needs. Do not let money come before You in my life. Please keep me hungering for more of Your presence in my life. In Jesus' name, Amen.

171. Father, I understand that In fulfilling the functions of the body of Christ in our home and elsewhere, we have the great responsibility to train and instruct children in faith and righteousness. Lord, help me model today Your love, faith and righteousness before the little ones I am in a position to influence. In Jesus' name, Amen.

172. Father of all mercies, please open my eyes to see Your love and grace that I might share it with others. In Jesus' name, Amen.

173. Precious Lord, Please teach me today to be an example to my children and teach them the cost in following Jesus. Lord, help me to be willing to sacrifice everything to follow You and to be an example.

174. Dear God, I'm so grateful that when I was trapped in sin and tried to save myself, You initiated my rescue and sent a Savior to free me. Thank You for Your loving kindness. Please help many others to realize that You

do exist and are the only true God. In Jesus' name, Amen.

175. Father, Today I will not assume that I am not useable by You my God. I will make myself available to You to use. Also I would like to pray for the ministries of fellow Christians around the world, especially those who serve our Lord in difficult assignments or places, especially countries that hate the name of Jesus Christ. In His precious name, Amen.

176. Dear Lord, sometimes I feel so weak when faced with temptation. At that time and always I you're your help oh precious Holy Spirit to be strong and obedient to Your commandments. Please help me stay the course in following Your ways. In Jesus' name, Amen.

177. Father, today I come to You with a grateful heart as I meditate on all of the ways You have blessed me and kept me from harm. It is so comforting to know deep in my heart that Your loving Holy Spirit is living in me and will always guide me if only I will seek and obey. Thank You from the bottom of my heart for Your great love and kindness. I offer You my love and thanks. In Jesus' name, Amen.

178. Lord, I had trouble sleeping last night until I began to count my blessings. As I did I realized that they were innumerable. As I focused on this multitude of blessings I began to feel great peace and drifted off to sleep. I have discovered that this is a beautiful way to fall asleep. Thank You for showing me that. In Jesus' name, Amen.

179. Dear God, yesterday while I was working on different projects I became angry and frustrated that things were not going smoothly as I was rushing too much and misplacing things that I needed for the job but when I took time to stop and pray over each obstacle with a sincere and quieted heart things miraculously began to turn around. You actually showed me where each

misplace item was. I was slowed down and felt the peace of waiting on Your guidance and help. What a wonderful learning. I need to remember this powerful concept and use it in the future. Thank You Oh God for your love, patience and grace for me. In Jesus' name, Amen.

180. Heavenly Father, You have shown me that life is fragile. We simply never know when it is our time to die. I have been thinking about where I am investing my time and energies. Someone once said they had never heard anyone on his deathbed say that he wished he had made more money in his lifetime or he wished he had made a certain deal. Usually it is something like, "I wish I had spent more time with my kids." And so I ask You Lord to give me Your priorities for my life. In Jesus' name, Amen.

181. Dear Lord, please help me to know the breadth, length, height and depth of Your love that surpasses ALL knowledge and that I may be filled with all the knowledge that can only come from You. Such amazing power is incomprehensible but most powerful. Please apply this love continuously to my life. These things are available to all of us who will only believe and ask but most people are simply unaware of such a mighty force. Please help us all to be aware and ask in faith believing. In Jesus' name, Amen.

182. Father, I desire Your guidance in all areas of my life because I know of Your wisdom. Please give me the wisdom to discern Your truth in all matters. In Jesus' name, Amen.

183. Father, thank You for another day of life. Please keep me from harm and guide my steps as I enter this day. Please bring someone across my path to share Jesus with. Please use me as You will. Thank You my Lord. In Jesus' name, Amen.

184. Dear God, sometimes I feel so inadequate as I live my life. Perhaps You have put us here on the earth to go through "A School Of Life" to prepare us for eternal life with You. I am not sure if my theology on the subject is correct or not but I think it is quite possible. I simply ask You to teach me in Your ways. Thank You for life and love. In Jesus' name, Amen.

185. Dear Lord, when I am out and about in this world I sometime come across others that are short tempered and impatient. I am sure that others may see me in that same mode occasionally. Please help me to be patient with others and help me to be kind and loving at all times. I surely need Your help in this area. Thank You, in Jesus' name, Amen.

186. Dear God, I seem to surrender to temptation repeatedly in some areas over and over again. This brings guilt and frustration. I have a sincere desire to please You and resist temptation. But I am weak. And You on the other hand are strong. I bring my weaknesses to You right now my Lord and ask You to help me overcome temptation when it rises. Please give me strength in Your Holy Spirit power. Thank You in Jesus' name, Amen.

187. Father, please teach me to love You more and others also. Your Holy Word teaches the importance of these two things. I have a lot to learn and need Your Holy Spirit help please. Thank You in Jesus' name, Amen.

188. Dear Lord, I am aware that You gave me two eyes, two ears and one mouth. I believe that is for a reason. My problem that I bring to You this morning is that my mouth wants to babble and judge. Controlling my mouth has been very difficult for me. My mouth has gotten men into trouble too many time to count. Wisdom says to use your eyes and ears and control your mouth. I simply ask for You to help me to use my eyes

and ears first and then use my mouth lastly. Thank You in Jesus' name, Amen.

189. Father, I was looking at the night sky last night and got a feeling of amazement regarding Your creation. To think about the vastness of space and the intricacy of the life here on earth is far beyond my comprehension. I can only stand in awe and praise and worship You, the creator. Please continue to show and teach me Your ways. In Jesus' name, Amen.

190. Dear God, thank You for this day. As You continue to teach me by way of Your Holy Spirit, I thank You for Your patience with me a sinner. Thank You for Your mercy and grace. You are SO GOOD TO ME. In Jesus' name, Amen.

191. Lord, Your Holy Word says that our lives are but a wisp. When I contemplate eternity with You and all loved ones I am humbled and thankful. Thank You for loving me enough to send Your Son to die and be resurrected for me. I love and thank You. In Jesus' name, Amen.

192. Father, please show me how You would like to use me in service to You. I am willing. Thank You, in Jesus' name, Amen.

193. Lord, I saw a homeless man on the street today sleeping underneath a bridge with practically nothing. I ask You to speak to his heart that he might be save and helped. Seeing these things makes me grateful and at the same time sympathetic for the suffering ones. Please help them, in Jesus' name, Amen.

194. Father, I am beginning to see and understand things about You that I was never aware of before as I experience life day by day. Please continue to teach me. In Jesus' name, Amen.

195. Father, there are so many hurting people out there in the world that it breaks my heart. Please show me how

I can help and point out to me ways in which I can help to make this world a better place. Thank You, in Jesus' name, Amen.

196. Dear Lord, for years I took for granted the many blessing in my life. I finally am realizing that I was ungrateful. I desire to never be ungrateful again. Thank You for opening my eyes. You have been so good to me. In Jesus' name, Amen.

197. Lord, Thank You for my family, a roof over my head a bed to sleep in and food on my table. Thank You Lord for Your blessings on me. In Jesus' name, Amen.

198. Father, my friend just lost their baby at birth. A child that they had been hoping for. It nearly devastated them. I watched them suffer. Now, she has been diagnosed with breast cancer. Father, I don't know what to think or say except, I give it all to You and ask for Your help and blessings on them. We humans are incapable of understanding some of these things but I rest in being able to give it all to You. May Your Holy will be done. In Jesus' name, Amen.

199. Dear God, today I would like to pray for my city, my state and my country. We are in dire straits due to sin and corruption. I pray for our leaders to open their eyes and be honest and truthful and Spirit led. Please help us Oh God. In Jesus' name, Amen.

200. Father God, as I reflect on my life, I can see the many times that You interceded for me in spite of my stubborn, self-absorbed nature. I am sure that there were countless other times that I am not aware of. So, I simply say THANK YOU LORD FOR YOU MERCY AND GRACE. THANK YOU LORD FOR YOUR BLESSINGS ON ME. Thank You Lord Jesus for dying and suffering for me a sinner. I remember that You first loved me. I humbly offer You my praise and worship as well as my loyalty. In Jesus' Holy and precious name, Amen.
